## OUR STORY

---

Y-Axis Theatre was founded in 2018 by East 15 Acting School graduate students Nina Frantzeskaki, Nia Vasileva and Ewens Abid. Since then we've produced two original plays at the Edinburgh and Camden Fringe, and one at a London venue. We've received multiple 4 and 5 star reviews and were recently awarded the East 15 Graduate Award, which helped us realize our latest project.
